

MasterPlan

Playa Vista Masterplan Revisit

📍 Los Angeles, CA ☆ Nov 2018

Featured name

A Masterplan Where Residents Can Live, Work, and Play...All without Getting in Their Car

- **Diverse mix of product** from for-sale attached and detached to apartments to assisted living
- **29 urban parks** include two large sports parks, a community garden, and multiple concert venues.

- Embraced **walkability** before it was cool
- **Vibrant social scene** with concerts in the park, Bagels & Brew for meetups, and farmer's market
- **Retail Center and office campus** allow residents to work and shop within their community.
